DEDICATION

Dear Students:

In this year as we begin a new decade, the MAPLE LOG staff thought it appropriate to use TIME as a theme for our '59-'60 annual.

Time passes very quickly these four years we spend in high school. The friends we laughed with and the things we worked for we will not want to forget. We hope that as you glance through these pages, now and in the future, they will sharpen your memory of congenial friends and priceless times.

In keeping with our theme, we dedicate the '60 MAPLE LOG to Old Father Time, who has watched us grow into men and women preparing to step out into the world. We hope he will be around to watch us for many years to come.

To the student body and faculty we wish to say, "Use your time wisely, make your decisions carefully, and He will be pleased."

Your Annual Staff,

Laura Wilson

The American people have placed such emphasis on Education, that in this year 1960, it is commonplace for students to finish high school, and it is only unusual when they do not. Some use great effort to make the most of their schooling and others not nearly so much. The worth of the diploma can only be measured by the value to the student of his high school training. We trust the students of Mapleton High make their diplomas something of value.

Congratulations to the annual staff for an excellent yearbook. Congratulations also to the '60 graduates. May you earn success ahead.

This year marks a high point in the history of Mapleton High School. This senior class is the largest ever to graduate from our school. Mapleton is growing and our school is growing and maturing with the community.

In this time of emphasis on improving our educative process, Mapleton High School is going forward in expanding our academic and extra-curricular programs to be able to offer more to the students. Our wish is to nourish in the hearts of all of our students that flame of desire to reach new heights in learning.

You, the students, are responding this year by working long and diligently to reach new levels of accomplishment.

As we may have been able to influence you, so have you influenced the school and the community.

We are therefore grateful to have had the opportunity to work cooperatively with you in the school.

Good luck to you Seniors. The world lies before you.

The pictures above show that the school board is one of the hardest working organizations of our school. When Don Wilbur, Chairman, Mrs. Marilyn Shier, Mrs. Helen Thompson, Don Davidson, Perry Fox, and Walt Camp meet as a school board with Mr. Martin, Superintendent and Mrs. Virginia Carroll, Clerk, they are confronted with such problems as the school budget, building repairs, and other pertinent affairs. Salty commends them on a job very well done.

P. T. A.

Every Thursday as we labor through the last of our morning classes the tantalizing aroma of America's favorite food, the immortal hot dog, fills the class rooms and makes them almost unbearable. As soon as the noon bell rings that familar spot in the hall where the P. T. A. ladies sell these delicious distractions is the most important place to be.

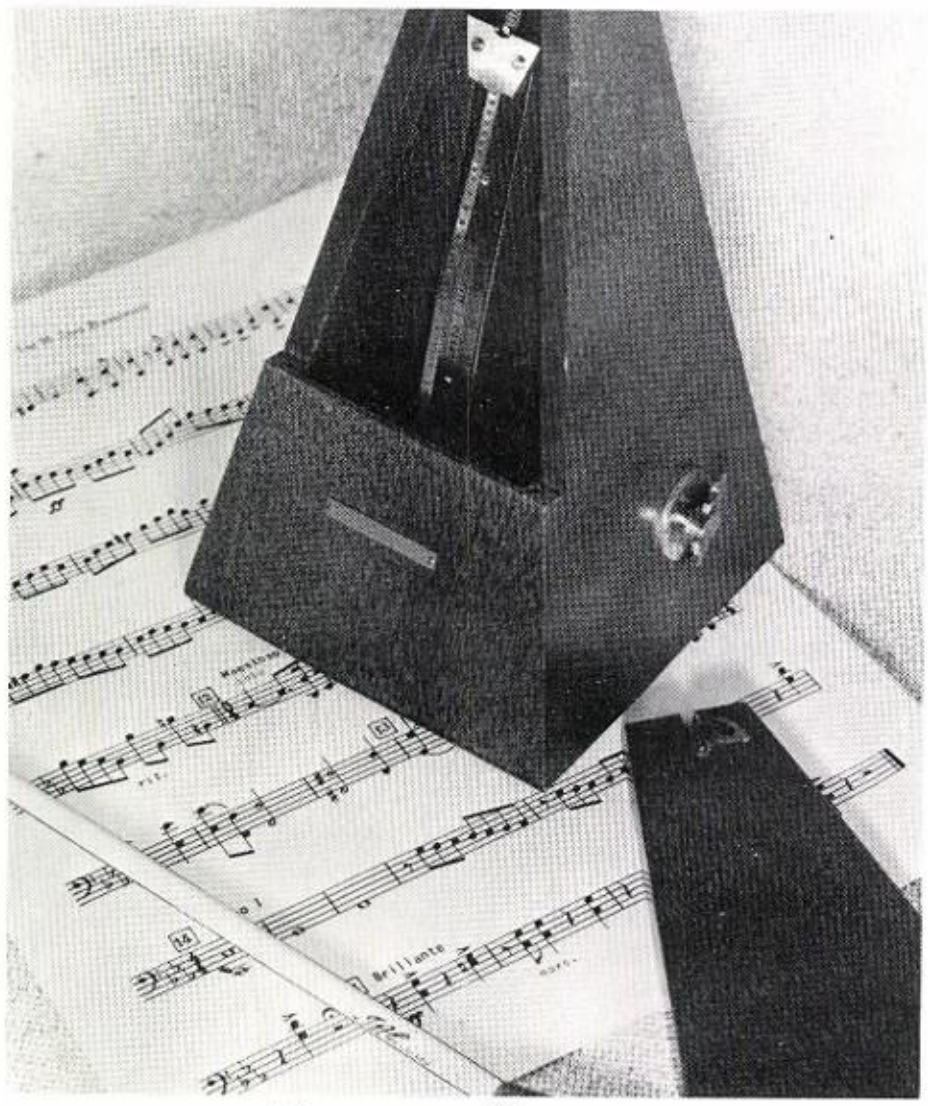
The P. T. A. has done more for our school than selling hot dogs. They have given many scholarships to MHS seniors, plus providing excellent contact between our parents and the faculty.

Mapleton High School will always be proud of their P. T. A.

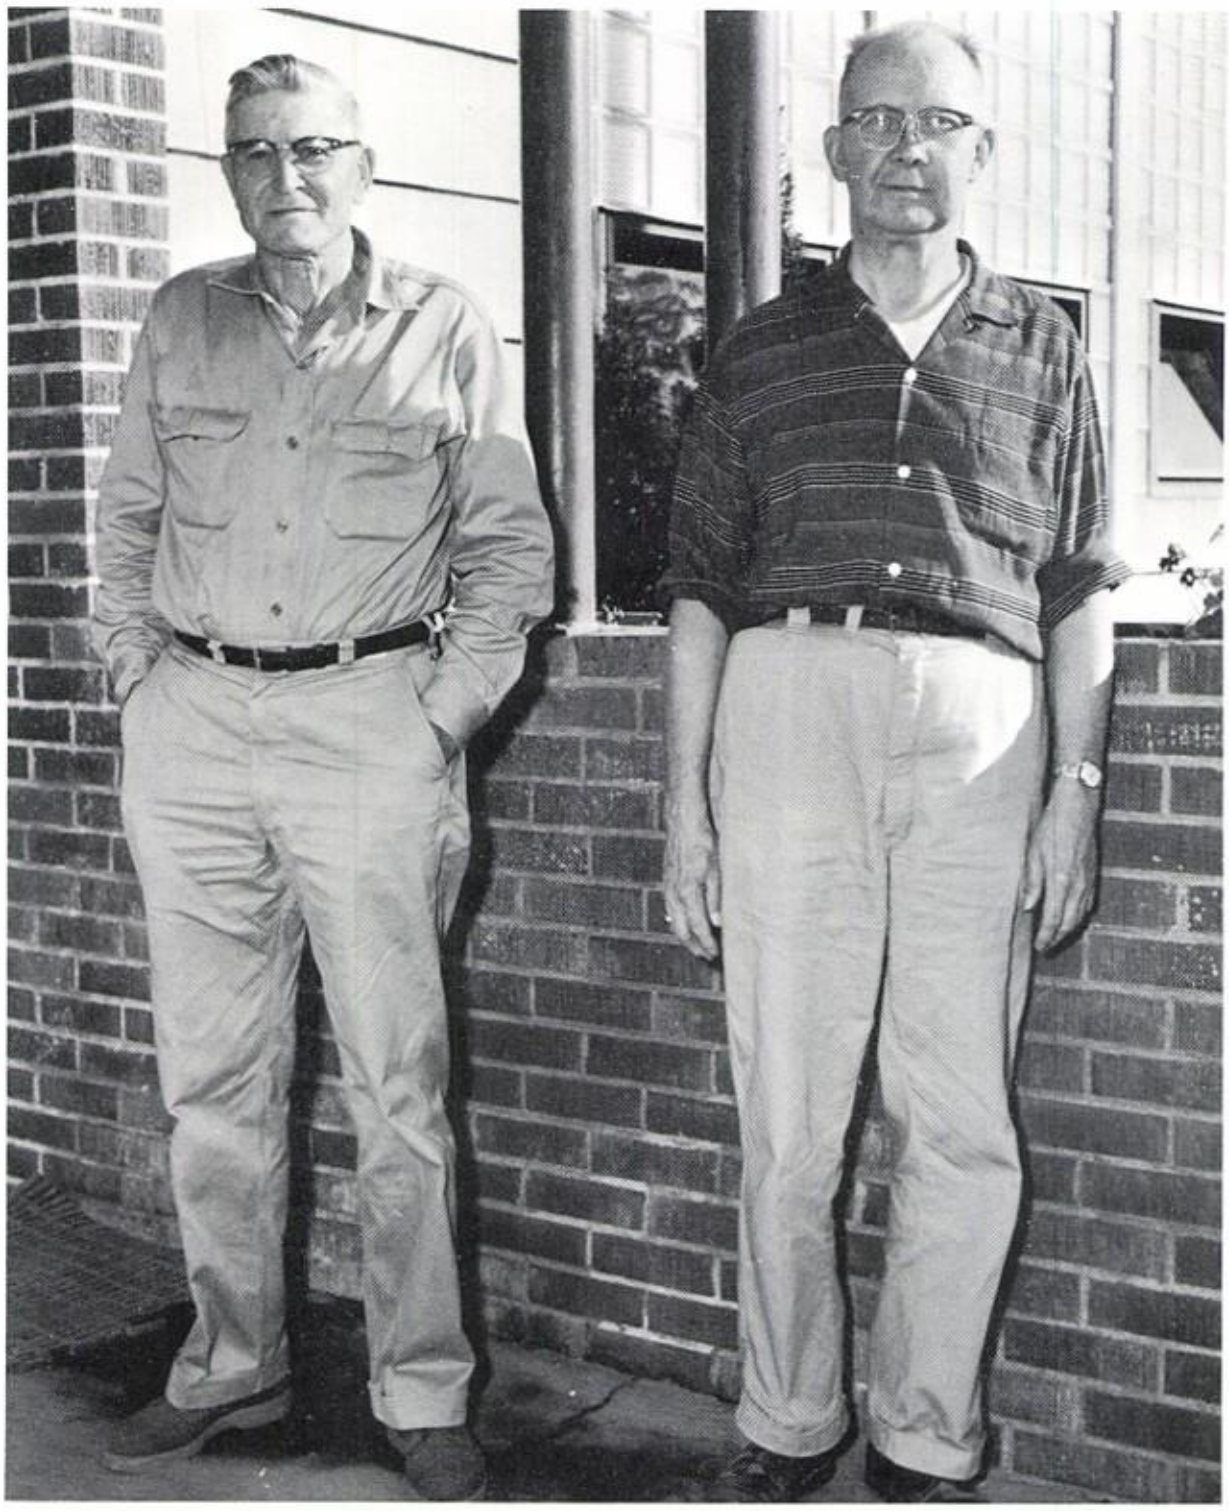
LIONS CLUB

Each year everyone in Mapleton eagerly watches the weather, hoping that their extimare of the rain fall will be the lucky one to win the annual Rain Derby sponsored by the Mapleton Lions Club. The fees for entry paid by the contestants are used for scholarships for Mapleton High School seniors.

The Mapleton Lions Club honored the Mapleton High School sports teams with a banquet, which the boys and their parents attended. This is just one example of the keen interest the Lions Club shows in our school.



Organizations



CUSTODIANS

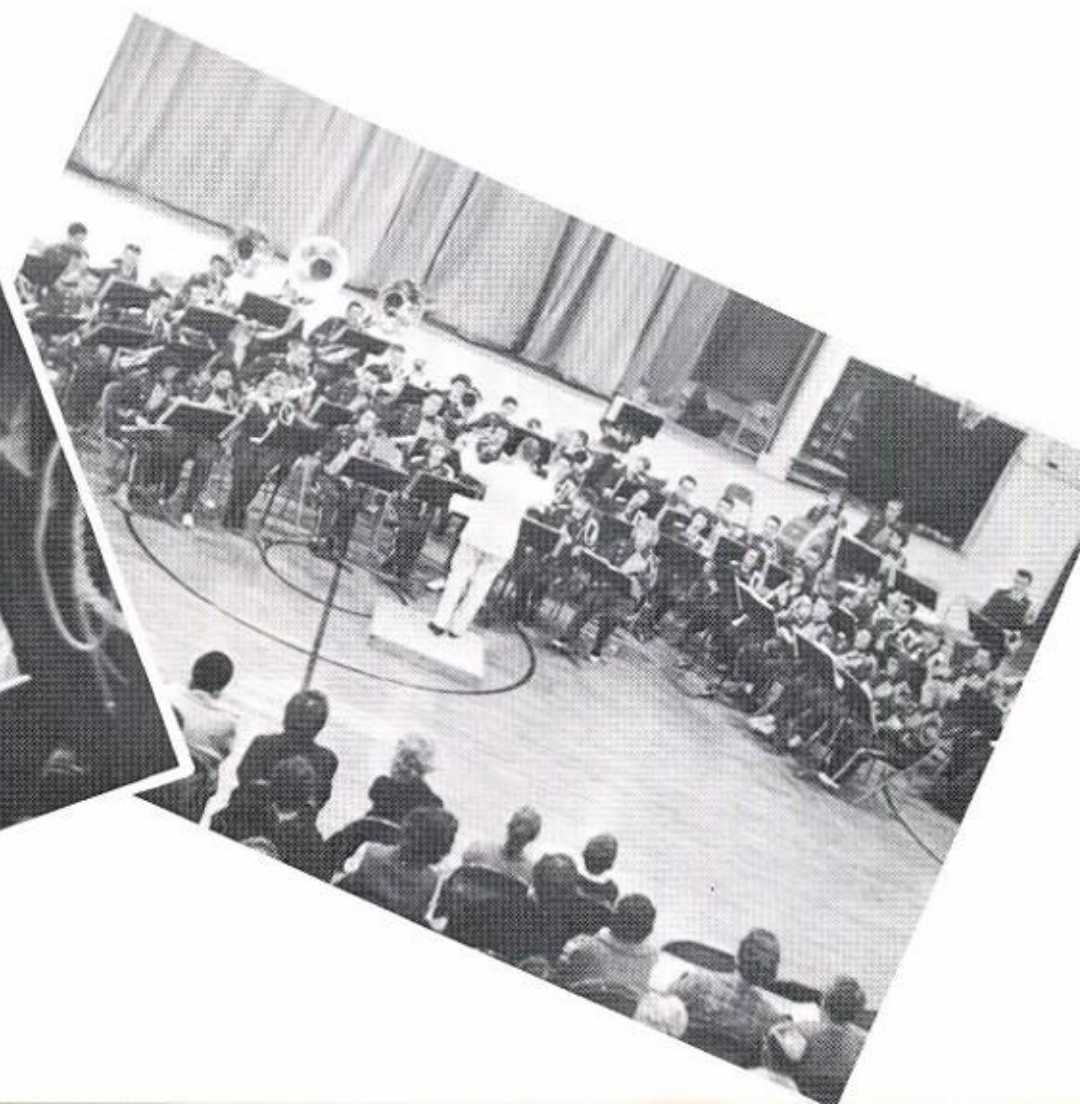
Janitors, L-R: Albert Brewer and Fred Deitz.

Fred has been with us for five years and has become a friend of all the students. Upon hearing of Fred's retirement, the students felt that a part of the school is leaving them. They wish Fred much happiness in the years to come.

BUS DRIVERS

Bus Drivers, L-R: Lenore Griffin, Charles Casey, Kip Wheeler, Carl Price, Katie Lamb, Marvin Cooper, and Vi Bernhardt.

BUSY, BUSY, BUSY, has been our band's trademark this year. Besides playing for the two music concerts of the year, they performed in a joint concert with the Siuslaw High band at Florence and Mapleton. The



proceeds from the joint concert with Siuslaw were the basis of our tympano fund. Completing the fund by washing cars after school, the band was able to purchase the tympanies early in the spring.

M H S BAND

MIDDLE ROW, l-r: Doris Berry, Lois Bender, Bonnie Allen, Bonnie Mallory, Sherry Wilkinson, Kathy Sprouffske, Sue Calbreath, Leslie Henderson, Penny Sauer, Judy Sindt, Marilyn Siddall, Nelda Williams, Velma Harwood. FRONT ROW, l-r: Susan Beers, Myrna Hinchen, Cheryl Wolfe, Linda Griffin, Betty Cline, Patty Winfrey, Shirley Johnson, Donna Harris, Roberta Rayl, Janice Hickman, Sandra Carriveau, Elsie Milbrett.

The largest singing group at Mapleton this year is the girls glee. They usually meet during activity period every Monday, Wednesday, and Friday; under the direction of Mrs. Forvilly.

This year there have been three main sings. The winter and spring concerts and then the contest at Junction City. They have done very well and have given our school the best representation possible for their size.

Salty salutes the mixed ensemble of M. H. S. who have worked very hard to achieve their high standard both in practices and the spring and winter concerts.

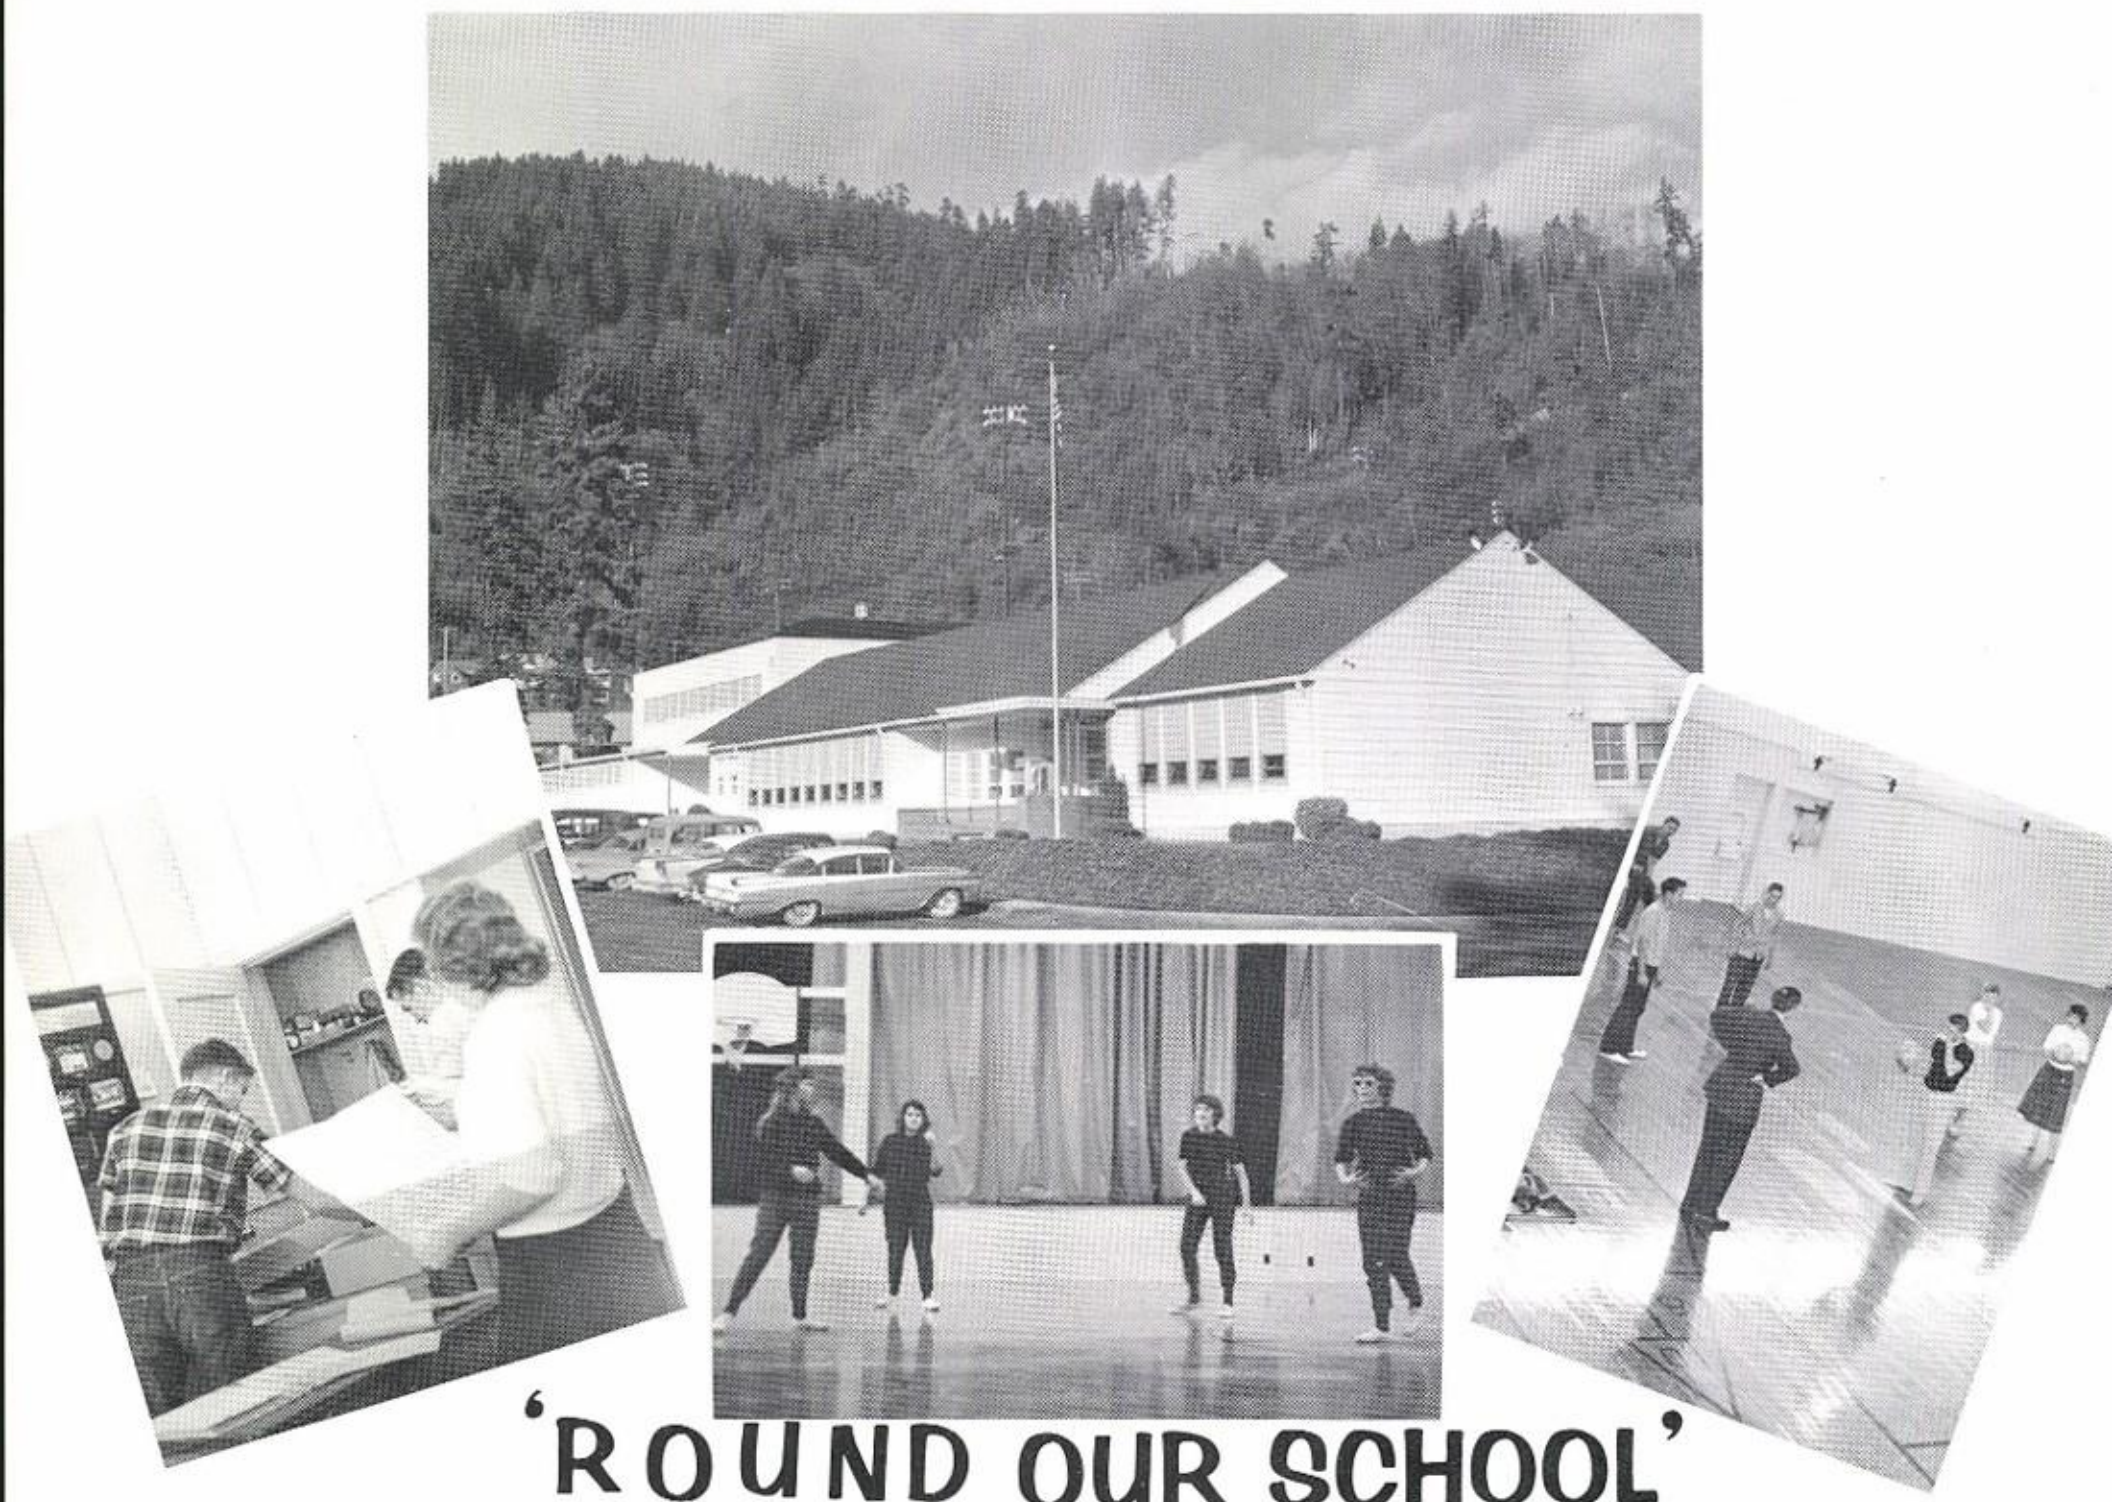
FOURTH ROW, l-r: John Addleman, Keith Vrell, Roger Gould, Leroy Everett, James Norwood, Joe Tuttle. THIRD ROW, l-r: Harry Pierce, Don Frederickson, Bill Reed, John Green, Bill Robinson. SECOND ROW, l-r: Sherry Wilkinson, Nelda Williams, Penny Sauer, Roberta Rayl, Peggy Hotz, FIRST ROW, l-r: Linda Griffin, Shirley Johnson, Cheryl Wolfe.

MIXED ENSEMBLE

SEXTET

STANDING, l-r: Nelda Williams, Linda Griffin, Sherry Wilkinson, Peggy Hotz. SEATED, l-r: Sharon Johnson, Penny Sauer.

What ever special occasions may arise the sextet is there to send their voices soaring high and into the hearts of the people listening.



'ROUND OUR SCHOOL'

The scenes 'ROUND OUR SCHOOL are many and varied. We are all familiar with the school itself, against a background of tree covered hills. The cheerleaders "went beatnik" as they urged our team to victory. They always did their best to keep up the spirit of the school with their original ideas and cheerfulness. To the left is pictured annual staff members working to bring you the best annual possible. We hope you like it. To the right we have a scene taken in the gym. Something seems to be amiss. Maybe you know what it is. Below, Odyne Branham takes over English class while Mr. Boswell sits back to relax. In the lower right hand corner is a display made by the students who attended the PAR trips.

SENIOR CLASS HISTORY

NEWSFLASH

Largest Class in History

Mapleton High School seniors of 1960 boast the largest graduating class in history. A senior from MHS might be heard saying, "The history of our class began way back in MGS where 38 of us graduated. These original Sailors were: Barbara Beck, Bob Beers, Gary Bernhardt, Linda Bernhardt, Sue Calbreath, Bruce Carpenter, Bill Carter, Jerry Carriveau, Don Cessnun, Alice Chamberlain, Jerry Davis, Leroy Everett, Jack Frauendiener, Linda Griffin, James Hess, Janice Hickman, Don Hogan, Don Hopps, Paul Huntington, Evelyn Jones, Marjene Konkle, Donna Lougheed, Larry Mallory, Dick Manning, Harry Pierce, Betty Rayl, Kenneth Rexford, Penny Sauer, Jim Sindt, Davis Simington, Marje Sprouffske, Dianna Stanton, Gary Timm, Elaine Whittall, Dennis Wilkinson, Jeanette Boushey, Clifford Burnett, and Donna Halberg.

In the fall of '56 we were joined by Ron Brainard, Bob Japp, Donna Skinner, Mike Welding, and Laura Wilson, from Deadwood School, and Keith Kinney from Alsea, to start our pleasant voyage through high school.

Then in '57 we gained a few reinforcements. Added to our crew were: John Casey from Hamilton City, California and Elton Smith from Portland, Oregon.

In 1958 Jim Bennett from Portland, Kenneth Hatfield from Crow, Oregon and Larry Milbrett from Belgrade, Minnesota joined our happy crew.

In '59, beginning our final year at MHS, we gained four Sailorettes, Vernita Allem from Nestucca, Oregon, Odyne Branham from Raymond, Washington, Donna Hegstrom from Florence, Oregon, and Gennifer Maschke from Hood River, Oregon, and a sailor, Leon Berry from Scotland, Arkansas.

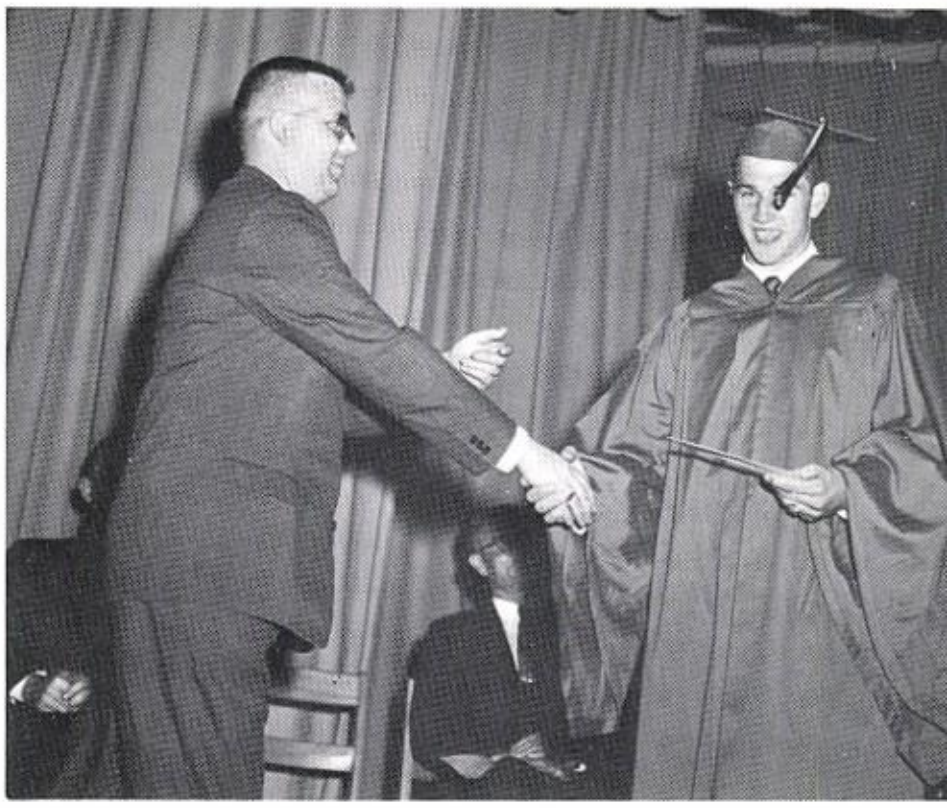
On March 24 a few of the mighty Sailors abandoned ship for a brief shore leave. When they returned they found themselves putting in overtime for the hours lost.

On May 20 the entire crew set out on an authorized leave from duty. They traveled on a Trailway bus to Timberline Lodge on Mt. Hood where the day was spent in skiing, swimming, and the familiar snow sports including snow ball fights.

Gaiety and industry seemed to be our motto during our active duty. Recognizing our new motto, "Not at the Top, but Climbing," we begin our voyage over the green waves and through the white gale with the hope of finding the dignity and stature possessed by our flower, the gladiolus."

Activities

ON TO COLLEGE



Few communities are as generous and concerned with their schools as ours. The support given our students has made it possible for many to enter college who would not have been able to if it were not for the various organizations who have so generously given scholarships.

The Lions Club gave four $250 scholarships this year. The recepients were: Alice Chamberlain, Barbara Beck, Bobby Beers, and Jim Bennett (pictured above).

On the left we see Marje Sprouffske receiving a $200 scholarship from the P. T. A. Penny Sauer also was awarded this scholarship.

At the right, Evelyn Jones is accepting her scholarship from the Eugene Beauty College. Also receiving a full tuition scholarship were the following: Sue Calbreath, Janice Hickman, and Marjene Konkle.

Penny Sauer (left) and Linda Griffin were honored with a $25 assistance from the G. A. C.

Linfield College has given Bruce Carpenter (right) a grant in recognition of his athletic ability. Bruce also received the John Carpenter "Athlete of the School" award.

Barbara Beck received a certificate from the Oregon Dads inviting her to join the Honors College at the University of Oregon.

Salty send his traditional salutation and thanks to these students.

BLACK MAGIC

HOMECOMING - FALL PROM

Black Magic was the theme of this enchanting prom. Cobwebs and snags decorated the walls. Highlighting the mood was a center piece of a steaming pond encased by moss, emphasized by a silver swag standing beside it. Giving a final and blissful touch to the enjoyable evening were the queen, her escort, and their court. Crowned early in the evening was Queen Odyne Branham, pictured above with her escort, Elton Smith. The princesses and their escorts were: Diana Smith and Eugene Stroud, Sandra Carriveau and Duane Hess, and Elsie Milbrett and Gene Bear.

"SPRINGTIME IN PAREE"

A bubbling fountain with blue tinted water was a gigantic attraction to the dancers as they floated by.

ROYALITY, left to right:

Long hours of work were put in by the students and faculty to transform the high school gym into a scene from the fair city of Paris. Enchanting sidewalk cafes surrounded the dance floor. Music was provided by Merlin McNabb and his dance band.

The girls' locker room took on the air of a very feminine powder room. Murals of famous French landmarks were the wall decor. It was a pleasure to comb your hair in front of a mirror with these reflections.

Sherry Wilkinson,
Shakespearean Festival

P. A. R. stands for Primary Abilities Recognition. It is adequately named for the students who participate are truly above "par". They are selected from Iowa Achievement test results, class ability, and general attitude. Various industries located in our community contribute generously to make these many and varied summer camps possible. The summer camps involve the subjects of Sciences, Social Sciences and Government, American Literature, plus Music. The American Heritage Tour is a 30-day tour of the famous historic places in Eastern United States. Junior Engineers and Scientists Summer Institution (JESSI) is a camp dealing in sciences. Camp Hancock is a geology seminar. Boy's and Girl's State provide the students an opportunity to actually establish and run a mythical state government. New ventures this year include the Shakespearean Festival and the College of the Pacific Music Conference. The Music Conference in California has the purpose of providing gifted students with the opportunity to improve. It lasts five weeks.

The students of Mapleton High School, especially the PAR students, join together to thank the community for their very generous gift. Salty commends you.

Wilber -- "I hit the road but I hit a mud hole too."

JUNIOR - SENIOR

THREE - ACT

PLAY

Betty Lou and Bernadine Smith are a couple of fourteen year old girls who are always up to something. This day starts off peacefully enough at the Maxwell house. It becomes quite a day when father is informed that he has been chosen as chairman of the citizens committee because he has one of the outstanding families in the community.

But Betty Lou and Bernadine choose this day to send a letter to Vester Blayne, who edits the local lovelorn column. Full of pathos and heart throbs, it is really a "sender". Their masterpiece takes on such a desperate note that Miss Blayne calls on mama Maxwell to unfold Betty Lou's sad "plight".

From there, things develop at a feverish pitch and engulf the Maxwell family and everyone who comes close enough to be entangled. Wit the introduction of "insanity", a free-for-all with all the trimmings develops. Somehow perhaps, everything will come out "Just Ducky".

Wilber says his final good-byes while Craig and Bernadine look on.

Betty Lou gets made up.

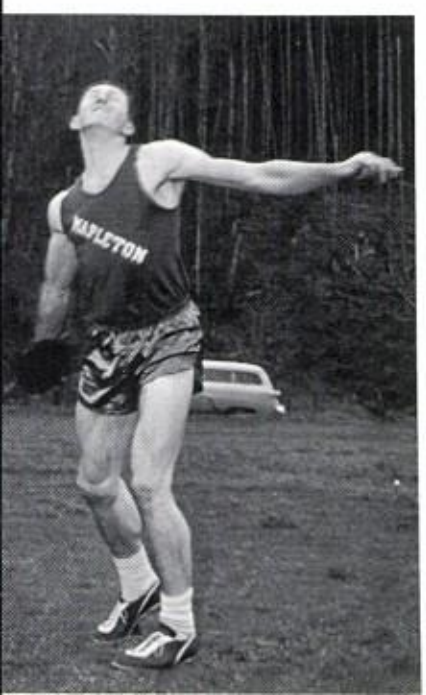
TRACK

Entering the coast league in athletics this year has made the competition harder than in the past. During the year our track team has improved continually in each successive meet. The men that have competed have done a fine job.

We have eight returning lettermen (shown in the pictures) who have shown up well in the field events and dashes. Some performers that have not lettered before are going to make good next year.

DON HOPPS shows grace and power as he goes over the bar in the pole-vault. JIM BENNETT puts power into his heave as he putts the shot. BRUCE CARPENTER exhibits graceful form as he gets off a heave in the discus. GARY TIMM shows a powerful arm as he throws the javelin. DENNIS WILKINSON, KEN REXFORD, JOHN ALLENBRAND, and DON HOGAN get off to a good start in their races.



Back Row, left to right: Duane Hess, Infield; James Norwood, Outfield; Jack Frauendiener, Catcher; Bruce Carpenter, Pitcher and Right Field; Elton Smith, Pitcher and 2nd Base; John Casey, 3rd Base; James Hess, Left Field and 2nd Base; Jim Jensen, 1st Base; Bob Van Windle, Outfield; Mr. Dixon, Coach.

GIRL'S P. E. AND SPORTS

Since the girls have no inter-scholastic program the G. A. C. got down to work and set up an intramural program.

In the intramural program 50 points were required for the first letter and 30 additional points for each successive award. These points were earned for participation in games and officiating with bonus points for winning. The G. A. C. sponsored organized teams which competed in Round-Robin Tournaments for volleyball, basketball, softball, ping-pong, and badminton.

Look! She hit it.

Rose, badminton champ!

Maybe we were prejudiced, but at every football and basketball game we were thrilled to see our cheerleaders with their winning smiles, and peppy personalities, working very hard to cheer our team to a victory. Sally salutes these girls for the wonderful job they have done in representing our high school this year.
